**McDonnell: We're not near what we want in Brexit talks**

THERE has been no "significant shift" by the government in cross-party Brexit talks, John McDonnell has said.

The shadow chancellor (above) said Labour had not seen enough movement from ministers, especially on the issue of a customs union with the EU.

"We're not near what we want," he said.

Cabinet discussed the state of the talks earlier – they have been going on for weeks with little sign of progress.

Mr McDonnell insisted Labour had "compromised in some areas".

He also criticised a letter from 13 former Tory cabinet ministers and Sir Graham Brady, chairman of the backbench 1922 Committee, to Theresa May, urging her not to agree a deal with Labour that includes a customs union.

**Record number of women are in work**

BRITAIN'S female unemployment rate in the first three months of the year has fallen to 3.7%, the lowest since comparable records began in 1971.

The Office for National Statistics included the figure in data showing the overall unemployment rate in the three-month period stood at 3.8%, the lowest rate since late 1974.

For men the rate was 3.9%, the lowest since mid 1975.

Excluding bonuses, average weekly earnings for employees rose by 3.3%.

# NO ACTION ON STEEL OVER CYRIL SMITH

A PARTY investigation has determined there are "no grounds for action" against former Liberal leader Lord Steel.

He had been suspended by the Liberal Democrats following comments he made to an inquiry regarding child abuse allegations against former MP Sir Cyril Smith.

Scottish Liberal Democrat leader Willie Rennie said that the party executive had "determined, after careful consideration, that there are no grounds for action against David Steel".

Lord Steel (above right) said: "I

am naturally pleased and relieved the executive of the Scottish Liberal Democrats has completed their investigation and, after fully considering my responses to questions at IICSA, has lifted my suspension from the party and cleared my name."

**Difficult**

Lord Steel gave evidence to the Independent Inquiry into Child Sexual Abuse in March this year – telling the probe a conversation with Cyril Smith (below right) left him "assuming" the allegations

were correct, but that the party did not investigate them.

Mr Rennie said that Lord Steel had provided clarifications which "state clearly that Cyril Smith did not confess to any criminality, which is why he took no further action at the time".

Mr Rennie added: "David Steel's national and international reputation is beyond doubt and this has been a difficult matter for us to consider, but it is important for everyone to understand that the Liberal Democrats will always investigate such serious matters."

## William: Throw illegal animal traders in jail

THE Duke of Cambridge has called for people involved in the "evil" illegal trade of animals to be jailed.

William said the trade "remains deeply worrying" as he spoke at a meeting of seven conservation organisations which have united to prevent the trafficking of animals and sale of poaching products.

The United for Wildlife programme, run by The Royal Foundation of the Duke and Duchess of Cambridge and the Duke and Duchess of Sussex, aims to bring together the private sector, police, governments and non-governmental organisations to disrupt the trade in items such as ivory and rhino horn.

William said: "We should all feel proud that we're starting to see an impact. But it's just that. The start."

"We are barely scratching the surface of what we can achieve. So, let today be a catalyst for our renewed ambition."

"The scale of what we are dealing with remains deeply worrying."

## Rubber found in baby food

COW & Gate is urgently recalling a batch of baby food sold in major supermarkets – as it may contain fragments of rubber.

The company said small pieces of a thin blue rubber glove had been found in some jars of its Cheesy Broccoli Bake.

A recall notice was issued by the Food Standards Agency (FSA), which said the product may be "unsafe to eat".

Cow & Gate said the product "does not pose a health risk" but "does not meet our usual high quality standards".

The FSA said in a statement: "If you have bought the above product, do not feed it to your baby. Instead, return it to the store where it was bought, with or without a receipt, for a full refund."

# 'VIP NONCE ACCUSER FLED WHEN CLAIMS PROVED FALSE'

**'LIES': Beech claimed he was sexually abused**

## Court told defendant made 'most heinous' claims

By COLIN HURST  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**THE man known as Nick – who is accused of lying when he claimed he witnessed child murders and was sexually abused by a VIP Westminster paedophile ring – fled to Sweden when his allegations were proved to be false, a court heard.**

Carl Beech, a 51-year-old father from Gloucester, is on trial at Newcastle Crown Court where he denies 12 counts of perverting the course of justice and one count of fraud.

Prosecuting, Tony Badenoch QC said his accusations against powerful figures in the

**SUSPECTS** (from left): Lord Bramall, Harvey Proctor and Lord Brittan

military, politicians and Jimmy Savile were among the "most heinous" that could be made.

The court heard Beech had claimed that he had witnessed "three child murders, multiple rapes, kidnapping, false imprisonment and widespread sexual abuse".

Addressing the jury, Mr Badenoch said the claims were initially made to Wiltshire

Police and the Metropolitan Police and led to the £2million Operation Midland.

Elderly suspects such as Lord Brittan, Lord Bramall, a former head of the Army, and former MP Harvey Proctor had their homes raided.

When that inquiry was stopped, Northumbria Police was tasked to look into Beech.

Mr Badenoch said: "Upon their investigation, in

Northumbria, a number of important claims made by Carl Beech when he made the allegations were found to be provably false.

"He had lied about the content of these allegations, taken active steps to embellish a false story, and then cover his tracks when challenged."

"He made no response when asked to account for this by Northumbria Police and, ultimately, he took the only option that was really available to him, he fled the country and lived overseas as a fugitive."

"That was until a specialist fugitive unit in Sweden worked closely with Northumbria Police and the National Crime Agency to secure his arrest on a European Arrest Warrant executed overseas."

"He was then extradited back to face these charges."

The case continues.

## BAKER WON'T COP IT OVER 'RACIST' TWEET

POLICE have dropped an investigation into Danny Baker's "racist" tweet about the Duke and Duchess of Sussex's baby.

The veteran broadcaster (left) posted a black and white photo of a man and woman holding hands with a suited chimpanzee after Meghan gave birth last week.

The 61-year-old captioned the tweet: "Royal baby leaves

hospital," prompting accusations of racism.

He was subsequently sacked by BBC Radio 5 Live, while Scotland Yard said the tweet was being "reviewed and assessed by specialist officers".

A spokesman for the Metropolitan Police said: "Having reviewed the comments made, we do not consider that a criminal threshold has been met and we will be taking no further action."

Baker deleted the controversial tweet shortly after it was posted, admitting it was "ridiculous, stupid and idiotic" – but insisted he was not racist.

A day after being fired from the BBC, he posted a series of messages apologising for the "outrage" he had caused.

He added that he had made a "genuine, naive and catastrophic mistake".

## Returning Corrie favourite to BONK MARY in shock storyline

**ROVER RETURNS:** Actor Kevin and (above) Patti Clare who plays Mary

**SOAP legend Curly Watts is set to make a dramatic return to *Coronation Street* – and we can reveal producers have got a SHOCK storyline to kick off his comeback!**

Actor Kevin Kennedy is returning to the cobbles to revive his role as Weatherfield's most unlucky in love former binman.

But it looks like his luck might have changed for once – as producers are lining up a romance for Curly with *Street* oddball Mary Taylor!

And that's great news for old Mary, who was heartbroken when she found out last week that the love of her life, UFO magazine editor Brendan Finch (played by actor Ted Robbins) had died.

### Couple

A show insider said: "Mary's had a terrible shock and her and Curly have the potential to make a brilliant, classic *Corrie* comedy couple."

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

"We haven't been very kind to Mary – played superbly by Patti Clare – so it seems it's time to see their lives go on the up instead of down."

Kevin, 57, first played Curly between 1983 and 2003, famously marrying Rovers Return barmaid Raquel Wolstenhulme – only for her to eventually dump him.

In real life, now-teetotal Kevin struggled with booze addiction in the 1990s.

She said: "I think he's gone soft – in a really good way."

"Because I think he still has a strong opinion, but I think being in love and having a little boy Eric has made him more mindful of people's feelings."

## Student took ‘upskirt’ pics of teachers

A TEENAGER found guilty of taking “upskirt” pictures of two teachers has been ordered to spend 20 hours learning about the impact of his crimes.

Timothy Boomer, 18, was convicted of five counts of outraging public decency in relation to videos he took as a pupil at a Co Fermanagh school in 2015 and 2016.

At Enniskillen youth court, magistrates ordered him to complete an attendance sentence order.

Boomer (above), now a student in Wales, was found guilty by a panel of magistrates in March of committing acts of a lewd, obscene and disgusting nature and outraging public decency by making the covert video recordings.

The incidents happened at Enniskillen Royal Grammar School when he was aged 14 and 15.

The offences came to light when Boomer was 16 and he turned 18 during the legal proceedings.

It’s payday... so splash cash and go out on lash!

FOLK go on spending sprees and on the piss on payday!

Some 32 per cent of people double their so-called “discretionary spending” on the day they get their hands on their pay packet, according to Post Office Money and the Centre for Economics and Business Research.

The average spend on non-essentials on payday was £55, across the UK-wide survey of more than 2,000 people.

Three in 10 (29%) people will shop for non-essential items and a quarter (26%) will book tickets or make plans to socialise in the first week after payday.

One in five people were more likely to spend after a bad day and 13% would fork out to make life more convenient – which tends to happen when people feel stressed or tired.

## BUT IS SIR VINCE NEXT?

**FUNNYMAN** Freddie Starr exited the stage for the final time last week when he went to the place where all jokes die a death.

The Scouse comic carked it aged 76 in Spain, where he’d been living ever since being falsely accused in the notorious Operation Yewtree child abuse inquiry, set up in the wake of the Jimmy Savile scandal.

There is some light amidst the gloom, however – an update of *Midweek Sport’s* world-famous Celebrity Death Sweep!

And the spot vacated by dear Freddie is taken up by Liberal

Democrat leader Sir Vince Cable, who is – just like Freddie was – 76.

The politician – famous for his protruding nostril hair and stuttering speeches – could be a good bet for a meeting with the Grim Reaper, too.

Despite doing reasonably well in the local government elections, his party is expected to take a drubbing in the May 23 European elections.

The ups and downs of the political rollercoaster cannot be good for a man of Sir Vince’s vintage.

Sir Vince has indicated that he’s prepared to step down once Brexit – which he wants to stop – is “sorted”.

Freddie Starr died of a suspected heart attack at his villa on the Costa Del Sol, where he lived alone.

## Suranne: Unfair to bash straight actors playing LGBT roles

STRAIGHT actors are singled out for criticism when playing LGBT roles despite being "just the face of the project," Suranne Jones has said.

The *Gentleman Jack* actress (above), who plays lesbian diarist Anne Lister, said the controversy of portraying a different sexuality on screen would not be as great if people thought "more intelligently".

Jones said that as the figurehead of a show tackling LGBT issues, she is the one who would be the target of criticism over on-screen sexuality.

She said: "Actors are just the face of a project. On this job, there were a lot of gay, lesbian and straight people giving their input and I think people forget that when they point the finger at actors and say that only straight actors should play straight parts."

"No-one ever points the finger at directors and writers, which I find odd. I think that's because we're the face."

# JLS STAR ORITSE WILLIAMS DENIES HOTEL ROOM RAPE

## 'With the blink of an eye, my pants were off and he tried to give me oral sex'

'GROPED BREASTS': Williams at court and (below) with JLS

**JLS singer Oritse Williams raped a "zombified" fan in a hotel room after she downed free shots with pals, a court heard.**

Prosecutors allege the rape took place after the woman and two of her friends had met Williams and his tour manager, Jamien Nagadhana, at a Wolverhampton nightclub.

The accuser and two friends decided "for a joke" to queue up and meet Williams and have their photos taken following the gig at Gorgeous nightclub on December 2.

Miranda Moore QC, prosecutor, said Williams, 32, and his entourage offered them free drinks and they were "dancing, mucking about and drinking what looked like shots".

Pop star Williams then told one of the women - not the accuser - that she should be a Victoria's Secret model and was "very taken" with her, Miss Moore told the court.

### Condom

After one of the women "blacked out" and had to be put in a taxi home, the alleged rape victim and her other friend went back to the hotel with Williams and Nagadhana.

A staff member who saw them said the women were "spaced out and zombified", the prosecutor added.

Miss Moore told jurors: "All three of the women began to feel a lot more affected by alcohol than they felt was normal. They all began to feel odd."

Once in the room, one of the women got onto the double bed and asked the accuser to hug her.

Ms Moore said the woman joined her friend on the bed and this is when Williams, who had pulled his pants down and had a condom on, tried to have sex with her.

She alleged the woman said no and

By COLIN HURST

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

made it clear she didn't want to have sex with him.

The women both then went to the bathroom before going outside the room to the corridor, where one of the women had a "full blown panic attack", it is alleged.

Another woman came out into the corridor and found the two women upset.

When the accused couldn't find her phone, she went back into the room to find it.

That was "her mistake", Miss Moore said. She alleged that when Williams opened the door, he picked the woman up and "plonked her down on the double bed".

The alleged victim said she asked what Williams was doing, the court heard.

"Next thing I knew I was on the bed," she said in a video of the police interview shown to court.

"With the blink of an eye my pants

were off, he tried to give me oral sex. "Looking back, I wasn't as fighty as I should have been but I was telling him to p\*\*\* off."

"He started to have sex with me. It must have been five or 10 minutes and the whole time I was telling him to get off me, but he wasn't having it."

"I'd roll to the side to try and get him off me and he took me from behind then."

"Throughout the whole time he wasn't aggressive, he just wasn't listening to me."

At one point during the alleged rape, the woman, who cannot be identified, said she had "laid down like a dead body" because she just wanted it to stop.

She told the interviewing police officer: "I was quite scared. I felt more pathetic, if that makes sense. I felt just worthless."

Jurors heard Williams continued to have sex with the woman and was groping her breasts when "his really weird friend" Nagadhana started to join in.

The accuser said when Williams

was on top of her, she "felt something down there" and said she looked down and saw his friend "standing there really awkwardly with his hand on my vagina", adding: "He stopped after a while."

She claimed the friend was also "trying to put his finger in my bum and he did a bit".

She then left the room crying, Ms Moore said.

Hotel staff put the woman into a room, where she "curled up in a ball" and accused the two men of sexually attacking her.

In a police interview given after the arrest, Williams claimed the women had wanted to return to the hotel and said the accuser had instigated the sexual activity.

He said there was a "free-flowing vibe" at the nightclub and he was "getting on well" with the accuser.

"I'm the artist," he told officers. "I think they both kind of wanted to be involved with me in some degree."

### Touched

Williams, who said he had drunk a similar amount to the women, claimed the sex was consensual but he was having problems performing.

He added that the woman was annoyed as he hadn't been able to keep going, the court heard.

The singer also said Nagadhana had nothing to do with it and was under the covers, the court was told.

In his police interview, Nagadhana said he had touched and kissed the woman on her bottom but claimed he was trying to sleep when the alleged rape was taking place.

Williams, of Croydon, South London, pleaded not guilty to rape at a court hearing in November.

Nagadhana, 32, from Hounslow, west London, denies a charge of assault by penetration in connection with the same incident.

The trial continues.

**OUR GREAT CRIME MYSTERIES CONTINUES WITH**

# Will we EVER know what happened to Suzy Lamplugh?

**THE disappearance of Suzy Lamplugh is one of Britain's most notorious – and mysterious – unsolved crimes.**

Suzy was a 25-year-old estate agent working in Fulham, west London.

On Monday, July 28, 1986, she left her office in Fulham Road to show a client around a house nearby at around 12.40pm.

She was seen waiting outside an empty property on Shorrald's Road.

She had recorded the appointment in her work diary: "12.45 Mr Kipper – 37 Shorrols Road O/S".

At 1pm she was joined by a man, presumably Mr Kipper.

They were seen walking away from the house a few minutes later. After she failed to return to work, her manager called Suzy's mother Diana to ask if she had gone home for lunch.

After hearing that Mrs Lamplugh had not seen her daughter either, the manager reported Suzy's disappearance to the police at around 6.40pm.

When Suzy went to show the house, she took her house and car keys and a purse with £15 and credit cards, but left her handbag behind.

Police found Suzy's company car about a mile from her office just after 10pm.

The driver's door was unlocked and the handbrake was off.

Suzy's purse was in the glove compartment, but her keys were

By **JAYNE FERGUSON**  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

missing. There were no signs of a struggle and no unexplained fingerprints.

The investigation into Suzy's disappearance was closed in 1987 after it failed to produce any leads.

Investigators never found a body, but Suzy was officially declared dead in 1993.

Her parents, Paul and Diana, set up the Suzy Lamplugh Trust, one of the first charities to raise awareness about women's personal safety.

They worked tirelessly to find Suzy's killer, but unfortunately they both died before knowing what happened to their daughter.

## Rape

Mrs Lamplugh suffered two strokes and was diagnosed with Alzheimer's in 2003. She died in 2011.

Mr Lamplugh continued to be involved in the charity after his wife's death, but he died last year after suffering from Parkinson's disease.

Police interviewed hundreds of suspects, but were unable to make progress.

Investigators even explored the idea that Mr Kipper could have been Suzy's pronunciation of the Dutch name "Kuiper", but they didn't find anyone of this name connected to her.

In November 2002, Scotland Yard

held a press conference, where they named John Cannan as the man they believe murdered Suzy.

Cannan is currently in jail for the killing of another woman, Shirley Banks, in 1987, as well as the abduction and rape of other women.

He was released from a hostel days before Suzy disappeared – which is why police believed he could be her killer.

He denies killing her, and the Crown Prosecution Service said there was insufficient evidence to charge him.

Cannan was widely said to have used the name "Kipper" in prison.

Suzy had worked as a beautician on the ocean liner QE2 in 1982 at the same time as steward Steve Wright, who was convicted in 2008 of murdering five prostitutes in Ipswich.

The same year he was convicted, police investigated possible links between the pair after his former wife, Diane Cole, said they knew each other. But the investigation came to nothing.

An inmate told police in 2002 that Suzy was buried under the patio at Cannan's mother's house in Sutton Coldfield in the West Midlands.

It was reported that he may have placed Suzy's body in an inspection pit before filling it with concrete.

Last October, officers made excavations on Cannan's mother's former property – she moved out in 1992 and another family has lived there ever since.

The family who live in the property

were not connected to the police investigation but gave permission for the search.

But hopes of a breakthrough were dashed, as the dig drew yet another blank.

It's been suggested that Cannan is refusing to admit his guilt until his mum Sheila, who will be 97 this year, passes away.

Sheila is said to have visited the former car salesman in prison and is "very close" to him.

Cannan, now 64, is serving a minimum 35 years in Full Sutton prison for the murder of Shirley Banks in 1987 and may one day agree to reveal what he knows, if anything, according to a family member.

## Buried

The relative, who did not want to be named, said: "I don't think he will say anything until his mother passes away."

"I don't think he would want to bring all the attention back on to her. He will wait until she is dead to reveal what happened."

Cannan is said to have told a girlfriend that the estate agent had been "buried in concrete".

He reportedly told professional ice-skater Gillie Paige that Suzy had been strangled and buried.

But while he continues to protest his innocence – he remains the number one suspect – it seems that unless he tells all, Suzy Lamplugh's disappearance might forever remain unsolved.

## ORSTEP KILLER?

1. Mr Kipper. Cannan was nicknamed "Kipper" by others at a bail hostel where he lived at the time due to his fondness for the fish and a habit of having a kip.
2. Photofit. He bore a strong resemblance to the image of Suzy's abductor compiled from witnesses.
3. False alibi. Cannan claimed he was staying with his mum in Sutton Coldfield and had chatted up a local sales assistant the day that Suzy vanished. The woman confirmed Cannan approached her, but doubts later emerged over whether it was on the same day.
4. Brief romance. In 2001, cops uncovered evidence suggesting that Cannan was the "mystery man" Suzy had a brief relationship with.
5. Bristol businessman. Suzy said her boyfriend was a Bristol businessman – something Cannan pretended to be with other women.
6. Stalking. A witness said they saw Cannan staring into Sturgis estate agents, where Suzy worked, shortly before her disappearance.
7. Gifts. Cannan was known for showering women with flowers and champagne. An eyewitness saw a couple matching Suzy and Cannan's descriptions lying in a local park with a bottle of bubbly beside them on the day she vanished.
8. Taxi driver. A cabbie identified Cannan as a man who asked for a lift that lunchtime, while clutching champagne and estate agent house papers.
9. The BMW. Detectives suspect Suzy's killer parked a BMW near the second home in Fulham where she was taking "Mr Kipper" for a viewing in her office Ford Fiesta.
10. Joking confession. Cannan joked to a former girlfriend, Gilly Paige, that he was "Mr Kipper".

# PSYCHO EXPERTS CALLED IN FOR JEREMY KYLE TEAM

**STAFF on The Jeremy Kyle Show will be given counselling, after a former guest on the suspended show died, apparently by suicide.**

It's feared production team members may be so traumatised by what's happened – and the threat to their jobs – they may need help from specially-trained psychological experts.

### Protect

ITV boss Dame Carolyn McCall said in an email to staff that the decision to take *The Jeremy Kyle Show* off air is "the best way" to protect it after the death of a guest.

The talk show was suspended indefinitely by the broadcaster after the death of Steve Dymond, 63, a week after the programme was filmed.

Dame Carolyn said it "was a very difficult decision to make" to halt filming and broadcasting of the programme, but that they felt it would be "inappropriate to continue to broadcast the show when a participant

on it died so recently". The company-wide message also said that "everyone involved" in the show – filmed in Manchester – will be offered support from the Employee Assistance Programme, as well as access to counsellors.

### Urged

ITV has been urged to end broadcasts of the programme for good following the apparent suicide of Mr Dymond, who died a week after filming his episode.

The network said staff at the broadcaster and the show's production team were "shocked and saddened" at the death and that the episode will be reviewed.

**DENIAL:**

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**A POLICE officer sent a woman he met on duty a photo of his manhood and told her: "I wish you were sitting on my face", a court heard.**

PC Farouk Abubaker, 36, had asked the 29-year-old to surprise him, prompting her to send him an image of her breasts, it was said.

The pair met after she came to his police station on June 21, 2017, seeking help in relation to another matter.

The woman had previously made a complaint when her thumb and shoulder were allegedly injured while being handcuffed.

Photos of her injuries had been taken and she attended Kingston Station in Surrey to get a copy of the photos when she met Abubaker.

Southwark Crown Court heard that they talked about his wife and kids after she noticed his children were in his WhatsApp profile picture.

The woman told married dad-of-two Abubaker his wife was very lucky.

He asked her to email him and, a few days later she found him on

## Court told cop sent woman pic of his willy

Facebook and sent him a message.

Jurors heard she sent the officer a photo of her breasts, before he is then alleged to have sent a picture of his penis to her saying: "You made me rise, I wish you were sitting on my face as I lick you, I want to suck on those nipples."

The woman referred to the photo of Abubaker's penis in her police interview and said: "At some point he started sending me messages of his private parts which I did not have much to say about."

The prosecution case is that she was a vulnerable woman seeking police help and Abubaker abused his position by sending her inappropriate messages.

Abubaker of Collier's Wood, denies one count of misconduct in public office.

The trial continues.

## CCTV to nab street pooper

**A MYSTERY man who has repeatedly SHIT on a street has forced residents to install CCTV in a bid to catch him.**

He chose Dulwich in Adelaide, Australia, as his literal dumping ground as residents started to notice turds appearing in February - with fresh stools popping up every few weeks.

Witness Jack Baker said: "There was a couple of weeks where it was Tuesdays and Thursdays, bang on schedule."

Eventually residents installed a video camera in an attempt to unmask the street shitter.

CCTV footage shows him emptying his bowels beside a fence on two separate occasions.

A DANISH politician is targeting voters by asking for their support via adverts on the world's biggest PORN website.

As Danes prepare to cast their votes in the June 5 general election, lawmaker Joachim Olsen has found a shortcut to the hearts and minds of voters by placing his campaign ad on Pornhub.

The banner shows the smiling 41-year old politician (below) with the wording: "When you finish masturbating, vote for me!"

Mr Olsen later said that the ad was meant to be light-hearted but added: "We must be where the Danes are."

He admitted on his Facebook page that there was "not much thought behind the ad and added: "I just hope you had a good laugh".

## Triple murder suspect pilot nicked on plane

AIRLINE passengers were stunned when cops stormed their plane and arrested the PILOT – on suspicion of a triple murder.

Christian Martin (above) – a pilot for PSA Airlines, part of American Airlines – was getting ready for a flight from Louisville to North Carolina on Saturday when police swept into Louisville International Airport and arrested him.

He now faces nine charges, including three counts of murder and one count of arson.

Martin, 49, allegedly killed Calvin and Pamela Phillips and their neighbour, Edward Dansereau.

Calvin Phillips was found shot at home in Pembroke, Kentucky. The bodies of his wife and Dansereau were discovered in a burned-out car in a nearby cornfield.

**GAME of Thrones star Emilia Clarke says she needed "vodka and flattering lighting" to strip naked on set.**

The actress, 32, made the shock confession when talking about her memorable scene in *GoT* in which her character Daenerys Targaryen is seen walking through fire completely starkers.

She said: "It was just a wonderful, strong moment I wanted to own – a real empowering, girl-power scene."

"I was so thrilled with it. It's not a sexy scene – she's not naked for no reason, it's not gratuitous."

"She's naked because she has just destroyed her enemies in this almighty blaze after they foolishly underestimated her."

"She played her trump card – how could I say no?"

"All I needed was vodka, some flattering lighting and I was ready!"

## Surgery

The revelation came after Emilia admitted she couldn't even look at herself after having brain surgery to remove two aneurysms.

The *Me Before You* star credited the life-changing experience to a shift in her view of herself and beauty.

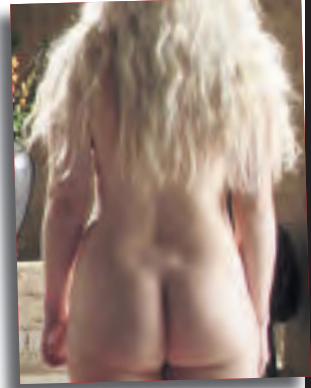

Speaking to *Stylist* mag, Emilia discussed how much of a toll the operations took on not only her health but her self-confidence.

She added: "After my operations, I didn't want to look at my own face."

"I don't normally, but all my emotions were heightened."

Ghanaian Pastor Victor Eghan went on Facebook to plead with people to swerve the hit TV series.

He posted: "If you're so attached to *Game of Thrones* that you're getting angry with me, then who are you worshipping? God or GoT?"

"One letter makes a big difference. And that one letter change can make a big difference when you stand before God on that day."

"I'm not a fan of *GoT*. Just watched a few episodes years ago. But I came across some statistics and facts that may interest you."

"Interesting stats show 865 deaths, 17 rapes (including attempted ones), 144 scenes of naked people (with 83.7% being women)."

He added: "In 2016, HBO was in a legal battle with a porn website over its use of sexually explicit clips from *Game of Thrones*, saying it breached their copyright."

## Lawyer dies in strangle w\*nk game

A STATE prosecutor has been detained after an innocent BDSM sex game resulted in his colleague's DEATH.

Dmitry Nekrasov, 23 (above), was found dead in his Moscow flat with neck injuries "consistent with strangulation".

Wounds from "beatings" were identified on the junior prosecutor's body and a necktie was found in his mouth.

Bondage toys and rubber dildos were also found close to his body.

His flat was empty but police examined the dead man's phone contacts and detained his colleague, another unnamed male junior prosecutor.

Reports citing law enforcement say the other man confessed an "innocent" sex game "going wrong".

"The two lovers were together in the flat that day," said a source.

"They played BDSM games with controlled breathing, when one strangles the other."

The detained man now faces charges of "negligent murder" and two years in prison.

## Medic struck off over sex for drug plot

A MEDIC who prescribed drugs to an addiction patient in exchange for sexual favours has lost his medical licence.

The Delaware Board of Medical Licensure and Discipline permanently revoked the work permit of Nihar Gala, who was responsible for the pain management and addiction at centres in Millsboro and Camden, Delaware.

His controlled substance registrations were also permanently revoked.

He'd allegedly had a sexual relationship with a female patient battling addiction.

In his defence, Gala claimed there had been a "conspiracy" against him.

The complaint said the patient had received Suboxone prescriptions from Gala, for an opiate addiction, in exchange for sexual favours.

The 4-1 win at the Amex Stadium saw Pep Guardiola's side creep over the line to beat runners-up Liverpool by just a single point.

It's the first time City - who have now won the title four times in the last eight years - have managed the feat in back-to-back seasons.

Our staff found no end of people

who wanted to talk about the win - and show their support for the likes of captain Vincent Kompany and star forward Raheem Sterling in their own unique way!

Mel Backford, 22, a student, was out with best pal Fi Rowe, 21, among thousands of City fans celebrating in city centre bars.

Flashing her boobs for the camera, Mel declared: "That was

absolutely amazing - our best title yet.

"I swear to God, if Pep Guardiola was here right now I'd immediately offer to have his babies."

Pal Fi, who works in a bakery, said: "I'm happy to take my top off for the City team."

"In fact, I'd be happy to take everything off for City."

"What a team! I'm on cloud nine."

## 'Zombie' drug taker gouged own eyes out

A MEDICAL student was rushed to hospital after gouging his eyes out and trying to chop off his penis.

The 35-year-old is believed to have taken "Zombie" drug Flakka before harming himself in Ciudad del Este, Brazil.

Paramedics sedated him after finding him kneeling on the ground, bleeding and naked on the grass next to one of the eyeballs he had pulled out with his bare hands.

Local reports said the man had gone to Paraguay from his native Sao Paulo a few days earlier and was complaining to friends he had split from his girlfriend.

He is understood to have gone to church to confess shortly before his horrific act of self-mutilation.

Two Brazilian friends told police he had been suffering from depression.

# INSTAGRAM GETS ON MY TITS!

US stand-up comic Sarah Silverman is posting TOPLESS pictures on Instagram – to make a point about double standards when it comes to nudity.

Earlier this week she posted a selfie in a bathroom mirror, in which she appeared topless, only for Instagram to remove it for violating its "community guidelines".

She then posted the screenshot of the deleted photo, with a caption pointing out that topless men are socially acceptable, whereas female breasts are considered "obscene".

Silverman, 48, followed

up by re-posting her original selfie with the nipples blacked out, alongside an uncensored image of a topless man.

The comedian has continued to post topless images on her Instagram to illustrate her point – including a naked pregnant woman whose breasts had to be scribbled out and another topless man which does not appear to be considered "obscene" by Instagram.

She also posted the original picture on Twitter, which did not delete the image.

## Baseball miss sucks off teenage player

**A FEMALE baseball coach has been accused of having sex with a 16-year-old student.**

Jessica Esparza, 28, is accused of unlawful sexual intercourse, sodomy of a person under 18, sexual penetration of a person under 18 and two counts of oral copulation – sucking off – of a person under 18.

If convicted of all the charges, Esparza faces a maximum jail sentence of five years and eight months and register as a sex offender, according to the Los Angeles County District Attorney's Office.

### Arrested

The alleged incidents occurred from March 2016 to October 2017. The student was 16 at the time.

The district found out about the allegation on May 3, notified police and placed Esparza on administrative leave.

After she was arrested

## Fuchs off with sex toys

**A MAN is accused of stealing £400 worth of sex toys from a couple's home over a two-year period.**

Brody Fuchs, 25, has been charged with second-degree burglary.

Police say Fuchs took "a bunch" of the items from a residence in Tyndall, South Dakota, near the Nebraska border.

The couple had installed a camera system inside the house, which caught Fuchs entering the home for about 40 seconds, then leaving.

An officer recovered a number of sex toys during a search of the suspect's property.

Police did not say whether Fuchs knew the couple.

## TAKING THE MYTH!

### Top sex fallacies exposed by experts

**THE ten biggest sex myths from women and men have been revealed – and their answers are surprisingly different.**

The most common sex myth for women is that they know where their G-Spot is and how to stimulate it.

In fact, the G-Spot doesn't exist for 78 per cent of women – only a fifth (22%) have located theirs and say they use it to boost arousal.

The biggest male sex myth is that they think about sex every seven seconds.

In fact, only 8% of men admit to thinking about sex 'all the time' and 64% of men said they thought about football more than sex.

#### Satisfaction

The results are revealed in a new survey of 2,000 people by IllicitEncounters.com, the UK's leading dating site for married people.

The second most common sex myth, according to women, is that size really matters.

Three-quarters (76%) said it was not a big factor in achieving sexual satisfaction, with technique being

more important than size.

The third biggest female sex myth is that they desire sex less than their male partner.

In fact, 54% of women said they had a higher sex drive than their partner.

The second most common male myth was that fellas with big feet or big hands also have a big penis.

The third was that they played worse at sport if they had had sex the previous evening.

IllicitEncounters.com spokeswoman Jessica Leoni said: "Lots of myths grow up around sex that tend to stick.

"One common myth experienced by both sexes is that they never

## Transport ban for perv who spunks into women's hair

A PERVERT has been banned for life from a city's public transport system for a series of sick attacks on women in which he cut off and masturbated into their HAIR.

Jared Walter, 32, will be arrested if he's spotted on the TriMet transport system in Portland, Oregon.

A spokesman cited the safety of passengers and staff for the decision to give a lifetime ban to Walter, who has been labelled the 'TriMet Barber'.

Walter (above) was arrested last month in connection with 16 minor crimes including harassment, sexual abuse and interfering with public transportation.

He is currently in jail after CCTV showed him pacing up and down a MAX light rail train before sitting behind a woman, touching her upper thigh and putting his hand in her pocket.

## Fanny old place to hide five grand!

A HOUSEMAID who stole more than £5,000 from her Singaporean employer was found with the money hidden inside her MINGE.

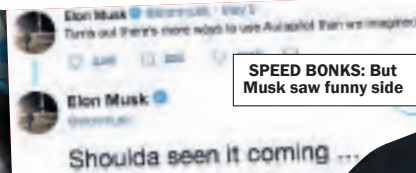

Bajo Nelgleyn Bobita, 28, was jailed for 16 weeks after pleading guilty to theft.

Bobita was taken to Changi Women's Prison, where a body scan spotted a foreign object hidden inside her fanny.

It turned out to be a small plastic bag with the stolen £5,002 inside.

# PORN STAR'S SEX IN A SELF-DRIVING CAR

## Tesla boss thrilled by XXX movie

**SPEED BONKS:** But Musk saw funny side

**TESLA boss Elon Musk reacted light-heartedly to a porn clip in which a couple have sex in one of his firm's self-driving cars.**

The video was posted to a major adult site last week and shows porn star Taylor Jackson, 19, and her boyfriend getting it on in the front seat of their Tesla as it steers itself at high speed down a US highway.

The stunt flagrantly ignored

By JAYNE FERGUSON  
[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

Tesla's strict rules for its "Autopilot mode", which allows its electric cars to steer and brake for you.

The firm asks drivers to keep both hands on the wheel at all times – though CEO Musk, 47, seems to have his own ideas.

In response to Taylor's filthy clip, the eccentric billionaire tweeted: "Turns out there's more ways to use Autopilot than we imagined."

And he added: "Shoulda seen it coming..."

The video has had 2million views since it was uploaded to adult site Pornhub.

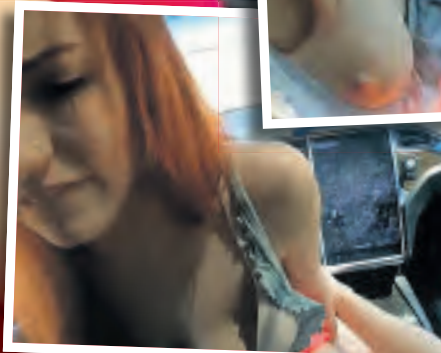

## Hot

In the clip, Taylor and her boyfriend, who live in Los Angeles, California, get hot and heavy for ten minutes while their £75,000 Tesla Model X whizzes past people's homes on autopilot mode.

Musk's failure to condemn the rompers for their high-speed antics was branded "irresponsible" by some fans.

One tweeter wrote: "This is dangerous... All kidding aside, be clear about the dangers."

# COPS CATCH NAKED DRUNK 'WORKING ON BALL SKILLS'

A NUDE man found playing basketball in a park told police that "he feels playing naked enhances his skill level".

Responding to a call about a "white male who was not wearing clothing" inside Candyland Park in Longwood, Orlando, Florida, a police officer discovered Jordan Anderson, 29, shooting hoops while naked.

When Officer William Humphries asked Anderson what he was doing, the suspect "said he was working on his basketball skills and he feels playing naked enhances

his skill level".

Anderson "was asked to put his clothing on and he complied."

A park employee had initially spotted Anderson balling without clothes and called police.

Since Anderson was in public "exposing his sexual organs," he was charged with indecent exposure and booked into the Seminole County jail on a £500 bond.

One police source said: "He'd definitely had a couple of beers."

# THE WORLD FAMOUS AGONY Page

**Dear Bexie,**

OUR neighbours asked us to keep an eye on their house – and their 18-year-old son – while they were away on holiday.

My husband works nights and one evening I put on a porn DVD. I was f\*\*king myself with a dildo when I heard a noise outside. It was the neighbours' son, who was pissed and he'd lost his key.

I went out and told him he could stay at ours and my husband would help him in the morning.

I told him to go in the lounge while I grabbed some drinks, but I realised I'd left the blue film running and the dildo on the sofa!

I rushed back and he was sitting there watching the porno with a thick nine-inch sticking out of his flies, as he wanked himself off.

I straddled him and he pumped furiously until we came to a climax.

But he told his friends and a few have been to see me for sex. What should I do?

*JT, Leicester*

**Bexie says...**

**SAY no. If your husband found out, there would be hell to pay.**

**Dear Bexie,**

I WAS at a family party the other week and ended up giving my brother-in-law a blowjob in the bathroom.

We've been flirting for some time and we sneaked away when everyone had had too much to drink!

I wrapped my tits around his eight-inch dick and he exploded all over them.

Now my husband suspects something is going on. Any advice?

*NJ, Weymouth*

**Bexie says...**

**SAY nothing. And give him a blowie – that should calm him.**

## Blonde escort girl gave me freebie in hotel room

**Dear Bexie,**

AS a sales rep for a big company I spend a lot of time on the road – and too many nights away from my missus.

I always stay in decent hotels and until recently I had never cheated on her.

But a few weeks ago I found myself talking to a sophisticated blonde, flashing just the right amount of cleavage at the hotel bar.

We had a few drinks and got on so well that we ended up in my room – after she suggested we take a bottle of wine upstairs with us to "carry on chatting".

But after she poured us both just one small glass of vino, she was on me like a rat up a drainpipe!

She had clearly done this sort of caper before and immediately took the lead.

First she peeled off her top to let me tweak her stiff nipples.

Then I slipped my hand inside

her wet panties and she pulled out my throbbing cock and gave me an expert blowjob.

Next we went over to the bed and I slipped her damp knickers down, stuffing my tongue up her dripping minge as I did.

Finally, she grabbed my pulsating whanger, bent over and guided me into her love-box from behind.

I banged her daft – front and back – before shooting my wad over her pert bum-cheeks.

After she left, though, I found she had left her business card – and discovered she works for an escort agency.

So not only did I cheat on the wife but I did it with a whore – who didn't charge me!

What's that all about?

*DK, Lincoln*

# Neighbours' dirty vid led to swinging time

**Dear Bexie,**

**I FIND myself in a dilemma because I've been shagging my neighbour's wife.**

She loves me to f\*\*k her while I get quite a kick out of as well.

The problem arose after her hubby invited me and my wife round for drinks.

After we'd been chatting a while, he put a video on. To my horror, it showed me and his missus getting down to it in their bedroom a couple of days earlier.

He must have been hiding in the wardrobe to film me banging his wife while dressed in her lingerie.

## Stripped

But I got an even bigger surprise when I glanced sheepishly over at my wife.

She didn't seem at all shocked – even as she saw her neighbour inserting a small vibrator up my arse while I screwed her.

I felt sure she'd kick off big-style, but instead she just wanted to know why she had not been invited to take part in our sex games.

We all got pissed and the upshot was that we decided to indulge in some partner-swapping.

My wife didn't need encouragement and was soon stripped to her briefs, through which you could see her damp, hairy minge.

Before I knew it both my neighbours were on her, with the woman licking

out my missus as she sucked on the bloke's fat prick.

When he'd shot his hot spunk over her face, I got my dick in her gob and she sucked me off while the neighbour's wife licked my balls.

As this was going on, the neighbour was banging away at my missus from behind.

Then they told me to dress up in my wife's undies and get it on with the wife, just like on the video.

My neighbour began filming my wife, who was thrusting a vibrator up her juicy twat.

I spunked over the neighbour's tits and my wife licked it up.

We indulged in all sorts of sexual cravings and tried out a variety of positions for a good few hours.

It was a great night and we're planning to do it again.

My missus is obviously turned on

by what happened and she can't wait to go back for more.

But I fear this sexual awakening has altered my wife's thinking, because she now wants me to wear lingerie under my ordinary clothes.

I've refused because it seems she wants to take what I've considered a harmless fetish a bit too far.

But she keeps persisting with the idea and has even gone as far as to accuse me of being unreasonable.

What do you say?

*SL, London*

**Bexie says...**

**THERE are all sorts of potential pitfalls when married couples turn into swingers. But your dilemma is not a common one – your wife IS being unreasonable.**

## Kinky romps with daughter's best pal

**Dear Bexie,**

MY daughter's best friend is a very tasty 21-year-old student, with a cracking body.

A couple of months ago I was out in town when I bumped into her. We had a few drinks and she made it obvious she was up for a shag.

I couldn't take my eyes off her big tits and, to my shame, ended up giving her one at her house, as her parents were away on a trip.

She stripped off to just her tiny black thong. I was instantly hard and she leapt on my eight-incher, sucking it expertly until I shot my load on her boobs.

I took off her thong and licked her bald, wet slot. She was moaning and told me that she likes older men to give her a "good f\*\*king".

## Spanking

I pounded into her for 15 minutes. After I had come she sucked me to hardness again and I did her for a second time.

We now have sex at least twice a week and it's brilliant. Last week she dressed up as a nurse and told me to tie her up, give her arse a good spanking and then f\*\*k her.

The trouble is, she now wants me to leave my wife and get a place with her – so that we can shag whenever we want.

There's no chance of that. What do I do?

*TM, Birmingham*

**Bexie says...**

**END this fast and pray she doesn't spill the beans.**

**Dear Bexie,**

**I THINK I have become addicted to sex.**

I'm a blonde 32-year-old barmad with 34DD tits and I get loads of attention.

I'm game for all manner of sex and I love sucking cock.

But I recently had my first shag with two blokes – and I'm convinced that's turned me into a nympho.

Since then, I've found myself wanting more and more thrills with groups of fellas.

Last week I went with six blokes who had been in the pub and I invited them back to my place.

I was determined to satisfy all six at the same time and I had a dick in my arse, one in my fanny and two in my mouth while I wanked the other two off.

It was fantastic watching them all explode virtually together.

I swallowed loads of cum and I could feel spunk dribbling down my thighs.

But that's still not enough for me. This weekend I'm meeting these blokes again and two more of their mates.

Do you think my behaviour is OK, or does the fact that I'm about to have it off with eight men mean I'm abnormal?

*HK, Wiltshire*

**Bexie says...**

**EIGHT is a bit excessive. And have you also thought about the health risks? Take precautions.**

## KIRSTEN IMRIE

By WENDY THOMAS

[news@sundaysport.co.uk](mailto:news@sundaysport.co.uk)

**CURVY** Kirsten Imrie was catapulted to the top of the glamour world thanks to her amazing all-natural 36Cs.

Born in 1967, Kirsten was raised in Musselburgh, East Lothian, and after leaving school at 16 did various jobs around Edinburgh before moving to London to start her modelling career.

She first appeared in newspapers back in November 1988, just after turning 21.

And she continued to adorn the tabloids regularly until August 1993.

Kirsten also posed nude for magazines, including the US edition of *Penthouse* which also had her as their cover girl for December in 1989.

She continued to pose for glamour photos through her late 30s, appearing in a 2007 edition of *Mayfair* at the age of 39.

Kirsten also worked as a TV presenter.

In 1995, she fronted newly launched adult channel Television X and in 1996, LIVE TV recruited her as a sports presenter.

But it's not all been plain sailing.

### Successful

In the early 2000s drink and drugs got a hold of Kirsten and she even spent a while living rough.

But with the help of fans and friends she picked herself back up again – making it back into the pages of *Mayfair* for that successful 2007 photo shoot.

Now 44, Kirsten's life is firmly back on track – running her own pet care business in south east London.

THE WORLD'S LEADING PORN STARS DO IT ALL IN THE MOST EXPENSIVE SEX TRILOGY EVER!

# PARADISE LUST!

NORMALLY  
**£75**  
BUT

**WEEKEND Sport**

TODAY  
PAY JUST  
**£25**  
FOR ALL 3!

HERE'S your chance to get your mitts on the greatest sex films trilogy ever made...for a fraction of the normal price!

*Island Fever* was the ground-breaking hardcore porn film that rewrote the rules in terms of both content the budget.

The world's leading adult stars were taken to the paradise islands of Hawaii, then shagged daft in pin-sharp HD for our viewing pleasure!

This no-expense-spared extravaganza became the must-have DVD and copies changed hands at prices many times their face value.

The two follow-ups didn't disappoint and, if anything, pushed the envelope even further. This time the juices were flowing on tropical Tahiti and Bora Bora bore witness to bum tricks as even more red-hot babes dropped their panties and their inhibitions to bring us a tropical feast of f\*\*\*ing and sucking.

The greatest cinematic trilogy since *The Godfather* would normally cost you £25 each but today, in conjunction with *Private Shops* we can offer you one for £15 or all three for just £25.

Remember, this is hardcore pornography and not available on the internet or by mail order. The only way you can get yours at this amazing price is to get yourself along to one of the licensed sex shop on this page.

We've negotiated this unbeatable price as a thank-you to all our loyal readers.

## SEX STARS

LEGENDARY director Joone, the genius behind some of the world's best EVER adult movies, helmed all three *Island Fever* epics.

He is known as the Spielberg of Sp\*\*\* and when he calls, the leading adult actresses come running!

Topping the bill here is superstar Tera Patrick but she's ably supported by top-drawer movie shaggers Julia Ann and Briana Banks.

And of course, you can't have proper shagging without some good hard c\*\*ks and *Island Fever* has some of the biggest and best in the business. After all, what man is going to refuse a month in a tropical paradise bonking some of the most beautiful women in the world?

## #MY SEX FANTASY

...WITH  
NICOLE  
SMITH, 23  
30D-26-34  
FROM HULL

# I have each of my hands on their hard dicks...

**THREESOMES** are a wild fantasy for very many couples, and my dream is to have my fella blindfold me and let a stranger join in.

The kinky thing is, I never get to see the stranger's face that I do naughty things with.

I imagine we're in a hotel room and as me and my boyfriend are caressing each other, the blindfold goes on, then I'm aware another guy has entered the room.

The faceless stranger starts to kiss and touch my thighs and stomach, while my fella is next to me, stroking me too.

## Sucking

I have each of my hands on their hard dicks and they are both getting super turned-on.

Eventually, one of them flips me over on all fours penetrates me from behind, I don't know which one.

Then the other puts his cock in my mouth, and I'm moaning away in pleasure as I'm sucking!

Then they swap ends and I have the best, most intense orgasm, getting a thrill from knowing I've been so slutty with a stranger!

Afterwards he mumbles goodbye and slips out the door before I take off my blindfold.

It turns me on looking at men I see out and about – such as in the supermarket – and never know if they've been inside me.

## TOTALLY TOPLESS AND TOTALLY UNCENSORED

DON'T MISS YOUR **WEEKEND Sport**... IN ALL GOOD  
NEWSAGENTS EVERY FRIDAY & SATURDAY

**WELCOME to the interactive Midweek Sport – where YOU get to choose the stunnas appearing on these pages!**

That's right fellas, we publish sexy snaps of the babes you most want to see – TOPLESS or even NAKED.

Every Wednesday, *Show Me The Honey* features the cute curves of the glamour girls you're clamouring for. This service – UNIQUE to British newspapers – is totally FREE!

All you have to do is drop us an email to [request@sundaysport.co.uk](mailto:request@sundaysport.co.uk) telling us why you want to see your favourite girl, then sit back and let us do the rest.

# SHOW ME THE HONEY!

## FERN HOSH

**ELECTRICIAN** Mike Ellery reckons sparks would fly once he put his cable into glamour girl Fern Hosh's socket!

The 33-year-old, from Hull, loves the blonde bombshell's pert pair and can't get enough of Fern's topless pictures.

Lucy, 24, from Hounslow, west London, is the woman of Mike's dreams and he said he'd love to work on her 30Ds.

He added: "If she booked me for work, I'd definitely be up for overtime."

"She's so stunning – the things I'd do to Fern are unprintable...even for the *Sport*!"

## EMMA SPELLAR

**FISHERMAN** Alan Black has a stash of topless babes stored on his boat for his stints at sea, but Emma Spellar is his favourite.

The 49-year-old regularly casts his net into the North Sea and keeps himself entertained by ogling *Sport* babes.

Although, he wants a new photo of the 28-year-old beauty from Woodford, NE London, to make his collection complete.

He said: "Those early mornings are a killer but a new pic of Zoe would make them easier but also a lot harder...if you know what I mean!"

## HANNAH PRENTICE

**BLONDE BEAUTY** Hannah Prentice left Brian Shephard floored when she turned up at a club in Brixton, south London.

Brian, 46, was left flabbergasted when he saw his favourite *Sport* girl Hannah, 26, from Harlow, Essex, partying hard in his fave club.

But after seeing her in the flesh, he now wants to see her 34DD boobs in all their glory again.

Brian told us: "She walked into the club with all her mates. "She looked lovely in the dress she had on, but I bet she looks even hotter without it!"

## CHARLIE MCCANN

WITH HIS SPORT ODDS AND ENDS

A FAMILIAR SIGHT: Pep and the league trophy

# CITY 4/6 TO RETAIN PL CROWN

MANCHESTER City are 4/6 with BetVictor to land a hat-trick of Premier League titles next season after their, ultimately, facile win at Brighton on Sunday. Liverpool are 11/4 to go one better next term, Spurs and Manchester United 12s and Chelsea and Arsenal 16s.

City's win at the Amex led to the sacking of Seagulls' manager Chris Hughton a move that surprised many in the football world. Swansea boss Graham Potter is 4/6 favourite to take over on the south coast with Derby boss Frank Lampard 7/2, England Lionesses' coach Phil Neville 4s and 16/1 Bar.

I wouldn't be rubbing my hands in anticipation, were I a Brighton supporter, at the prospect of any of the market leaders taking over, although these markets are notoriously volatile and Brighton owner Tony Bloom will not have taken the decision lightly.

Lampard's Derby travel to Elland Road this evening in the second leg of their Championship play-off semi-final looking to turn around a one-goal deficit. The Whites must do without the matchwinner from Pride Park Kemar Roofee through injury, but the stats say the Rams, who have lost all three games this season against Marcelo Bielsa's side, face a near-impossible task.

In the history of the Championship play-offs 17 sides have lost the first leg at home and none have reached Wembley. That said Spurs bucked a similar trend so dramatically in Amsterdam a week ago in the Champions League and I am not convinced this tie is over.

### Overstepping

The hosts are 3/4 to win the second leg with Derby 4/1 and the draw at 29/10. The Rams are 11/2 at BetVictor to qualify for Wembley and I just that may be overpriced although the tip – in what is sure to be a white-hot Elland Road atmosphere – is the 11/10 for Derby on the double chance (to either lose or draw).

Lampard has warned his players about overstepping the mark and it is 5/2 at BetVictor that a red card will be issued by referee Chris Kavanagh who issued a red card to Watford's Jose Holebas at Vicarage Road on Sunday – a decision that was later rescinded on appeal. Sunderland will take a one-goal lead to Fratton Park tomorrow in their League One play-off semi second leg. One thing that surprised me from the first leg was the attendance on Saturday – 26,610 – which was the hosts' lowest attendance of the campaign and almost 15,000 lower than in the corresponding League game between the sides on Wearside last month.

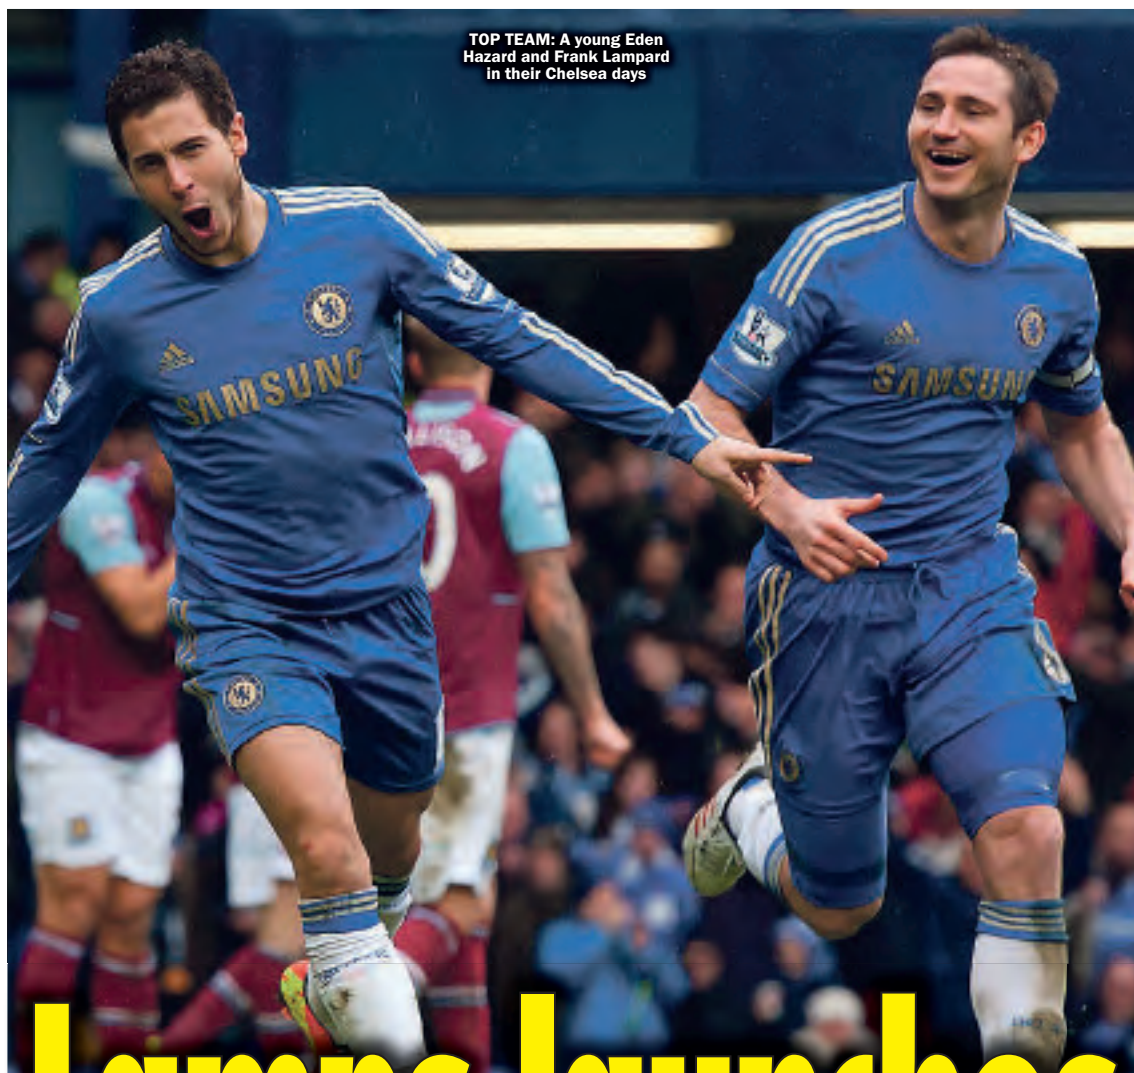

Black Cats key player Aiden McGeady is unlikely to be risked having pulled up with a recurrence of his foot injury in the warm up on Saturday having been selected in the starting XI.

Pompey are 13/10 to win at BetVictor with Sunderland 9/4 and the draw at 23/10. The Black Cats are 2/5 to qualify for Wembley and I think they will get the draw they need to meet Charlton or Doncaster who meet in Friday's second leg at the Valley with the Adicks holding a 2-1 lead from the first leg in Yorkshire.

TOP TEAM: A young Eden Hazard and Frank Lampard in their Chelsea days

# Lamps launches Hazard warning

## CHELSEA SUNK WITHOUT STAR SAYS LEGEND

**FRANK Lampard fears for Chelsea's future if Eden Hazard signs for Real Madrid.**

By PAUL THOMAS

It looks a certainty that the Belgian will be playing for the Spanish giants next season.

He made a point of waving to the Chelsea fans after the final Premier League game of the campaign.

Hazard has said nothing yet but all should become clear after the Europa League final against Arsenal.

Lampard rates him as one of the world's top player and is concerned about next year for his old club – especially as the Blues have been banned from buying players

for the next two transfer windows.

Lamps said: "He's in the top few players in the world. I think we all know that."

"We've seen him in the Premier League and he has been a joy to have. He was a joy to play with."

"I knew his potential from day one when he trained at Chelsea a good few years ago now."

"Of course it will be disappointing to lose him for the Premier League but particularly Chelsea."

"You don't replace Eden Hazard, you have to find ways around it whether it be

some of the younger players or the team."

"That's if you are going to lose him, we don't know that for sure yet but it seems it might happen."

Lampard is backing his former club to put worries about transfers to one side and get the better of Arsenal in Baku.

### Ban

He added: "The Europa League final will be a huge game for them. To win a competition like that is always big."

"It's going to be a tough game against Arsenal and then we will see with the transfer ban."

"It's always news at Chel-

sea. It's always happening that way when you are a big club it tends to be that way. We will see."

"The players, manager and club's objective now is to win that final, simple as that."

Chelsea have one major worry for the Europa League final – N'Golo Kante.

He missed the second leg of the semi-final and the final Premier League game of the campaign at Leicester.

The Frenchman is nursing a hamstring strain but is thought to be winning his battle to face the Gunners in Azerbaijan.

Antonio Rudiger and Calum Hudson-Odoi are certain to miss the big match with long-term problems.

# REDS KEEP CARRICK

## United legend to stay

**MICHAEL Carrick is staying at Manchester United along with the rest of Ole Gunnar Solskjaer's coaching staff.**

There are expected to be big changes on the pitch at Old Trafford next season but not on the bench, where Mick Phelan has also signed up to be the Norwegian's assistant manager.

As well as Carrick, Kieran McKenna and Mark Dempsey will remain despite United's shocking end to the season that saw them win just two of their last 12 matches — including a 2-0 home defeat against relegated Cardiff on Sunday.

Carrick returned to the club when Solskjaer took over from Jose Mourinho before Christmas.

He is delighted to keep his back-room team together.

Solskjaer said: "They are all going to stay."

"I think that's important, that we keep that team going forward. We do bounce off each other and they are some excellent coaches."

"Kieran, with his 32 years of age, you'd think he's had 32 years in coaching."

"Demps — I've worked with him now since 2011 when I moved back to Norway, he came with me to Molde. He's a Manchester United

By JOHN ANTHONY

lad through and through, he came through with Norman Whiteside and Mark Hughes in that youth team.

"I think he was captain and he played once for the first team. He knows what this means."

"Michael — what can I say that no-one else knows about Michael? When he came in, it was my last season as a player so I played with him for one year."

"He's a personality I can really connect with."

The next job for the United bosses is to sort out a director of football post to sit between the manager and chief executive Ed Woodward.

### Positive

Solskjaer admits that the past couple of months have been a real challenge. But he thinks it has made him a better manager looking to next season.

The Norwegian said: "I've learned that I don't like losing."

"I like winning. We started off fantastically."

"The boys were unbelievable when I came in. We were positive. We won games. The whole group gelled together and I enjoyed winning but I know that football is hard."

"You can't just expect everything to go that way and the reality hit us. We are in a league with loads of very good teams and, to be at our top level, we need to be 100 per cent focused."

"We came into some games really, really focused with the full team and I thought that was fantastic."

"Then you learn a lot when you go through tough times and think about 'who can we build this team around?' and who we think is going to take the next step because we need to go to the next level."

**CAR HIRE:** United legend Carrick has signed a new deal

**STRUGGLE:** Solskjaer

**YORK HOPE:** Suroor

Army can win the big battle at York

### WINNING POST WITH BEN MORGAN

THE York Dante festival kicks off today and there is plenty of good action on day one.

I've gone on record saying INVINCIBLE ARMY (NAP) is going to have a good season this year and I hope he can continue his rise to Group 1 company with victory in the Duke Of York Stakes at 3.00.

He reappeared with a comfortable victory at Doncaster on the first day of the season when he probably wasn't 100% fit.

He stayed on nicely in the last furlong and confirmed himself as a sprinter firmly on the up. The track and ground should hold no fears and his James Tate is enjoying a fine start to the season so I think his stable star has a very strong chance of securing Group 2 glory.

The opener looks the most competitive race of the day and although the money is likely to come for Fujaira Prince and First Eleven, it could be wise to look at a bigger price.

### Boosts

One that is overpriced is CORGI who did little wrong last year yet has been overlooked. He ran in some of the hottest three year old middle distance handicaps last term and ran with great credit.

Having the size and scope to progress this looks the ideal race to start off in this term. Good course form boosts his appeal and at around 10/1 is a great bet.

The 2.25 is always a competitive sprint handicap and one horse who loves such races is INTISAAB who keeps defying his handicap mark in these big fields.

He has won handicaps off higher marks than what he finds himself on now and his recent run at Ripon would have blown away the cobwebs.

John Gosden has farmed the Musidora but I am not convinced by either of his runners today.

I'm going to take a chance on Saeed Bin Suroor's DUBAI BLUE. She has only won a novice event at Lingfield, but stayed on well enough to suggest she should thrive off the step up to 1m 2f.

Her trainer is not one to tilt at windmills so at 12/1 is worth each-way support.

# MILNER ON CUP MISSION

JAMES Milner is desperate to save Liverpool's season by winning the Champions League.

The Reds have been hailed as one of the best English club sides ever as they finished the season on 97 points.

The shame for them is that Man City are even better and clocked up 98.

Now Milner wants to make up for the disappointment of finishing second — and erase memories of last year's Champions League final defeat against Real Madrid.

That was when Sergio Ramos

By ANDY MILLOM

did some judo moves to knock Mo Salah before Loris Karius conceded two of the worst goals of all-time.

Milner points to the 4-0 semi-final win as evidence that the Reds are better 12 months on.

He said: "What we did against Barcelona gives us a chance to go and redeem ourselves and get a piece of silverware because I think everyone deserves a bit of silverware."

"I think the team especially,

these boys, how they grind out results."

"What we've been through in the last two weeks, I haven't got enough good words to say about the character within the squad, the ability and the mentality."

### Tough

"The boys deserve a bit of silverware, but the fans do too."

"The fans have been unbelievable all year, they've lifted us when we've needed them, they've stuck with us when it's been tough in games."

Now the focus is on getting

ready to take on Tottenham in Madrid on June 1. Boss Jurgen Klopp has given his players this week off before they head to Marbella for a training camp.

The German said: "We have to do a couple of things in preparation for the Champions League final. Then the boys will have a couple of days off and then we have two proper weeks as a pre-season for the Champions League final."

"We will do that, we will play that, win it, come home and then the people get what they deserve."

# POG GONE SAYS EVRA

## Boo boys forcing him out blasts Pat

**OLD Trafford's boo boys are forcing Paul Pogba out of Man United says Patrice Evra.**

The midfielder was heckled by some home fans after Cardiff's 2-0 win on Sunday. One supporter in particular hurled abuse his way.

His former France team-mate and United legend Evra (right) be-

By JOHN ANTHONY

lieves that was the final straw for Pogba — and he'll be going this summer three years after returning to Old Trafford from Juventus.

He said: "It's not like I am protecting Paul, but when there are incidents like with the fan, they are killing Paul."

"He has the most goals, most assists. I

know you can question his leadership and in the last few games you want more, but overall he has been the best player this season."

"Just because it's Paul Pogba, he has haircuts, he dances, his Instagram and everything, people will criticise him while forgetting the player he is."

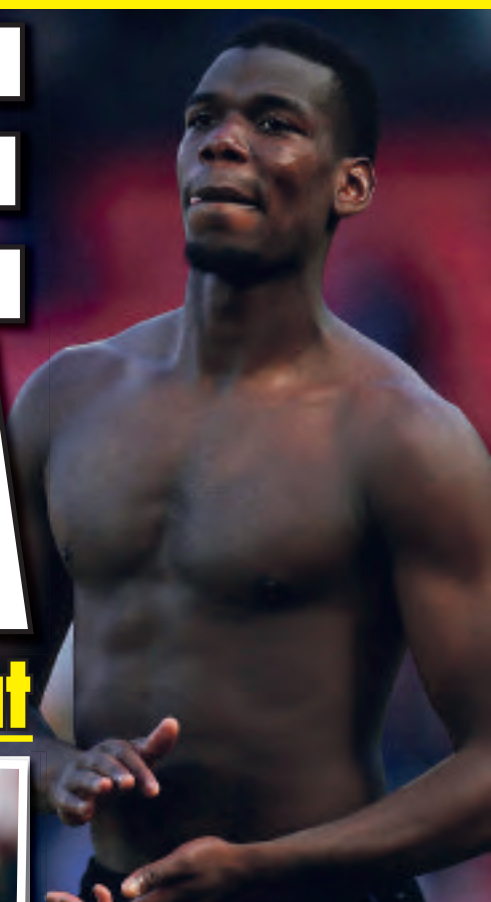

"I think he will leave because you need to feel

the love when you play somewhere, you need to be committed."

Evra is stunned by how some Reds fans have reacted this year.

He added: "When I go to the game and I see fans shouting and swearing at players, I am in shock."

"I don't talk for Paul, but when you have negativity around you, you should leave."
